Minor: Entrepreneurship

## EXPERIENCE

---

### SAN FRANCISCO -DEPT. OF TECHNOLOGY | (Oct. 13, 2015-Oct. 29, 2016)

#### Designer & Developer

Working closely with city leaders to design solutions needed to better communicate and educate the public about initiatives, such as Smart City, Digital Services, and Accessibility. Work ranged from graphic, email, web design to web, app development, and project management.

### WEB DESIGNER & DEVELOPER | (February. 22, 2013 - Oct. 13, 2015)

#### Contract

Working across the entire stack of technologies, skilled in Ruby on Rails, HTML5, CSS3, JavaScript, JQuery, Postgres, & MySQL. Building responsive, functional, and scalable solutions quickly.

- Please visit my website to view a portfolio of selected work.

### CONSULTANT | (January. 14, 2012 - February. 22, 2013)

#### Contract

Developed social enterprise initiatives for non-profits seeking to reduce dependency on donations and generating sustainable revenue. One project entailed building a call center for a low-income housing organization; giving them the ability to employ residents taking maintenance requests and follow-up calls.

### MAKERS UNITED | (December 16, 2011 - April. 5, 2012)

#### Product

Designed a garment bag that allows users to carry a full suit and shoes in the form of a backpack without creasing. Prototyped the product with a Chinese manufacturer and launching via Kickstarter.com

### FRESHBOX CATERING | (Sept. 25, 2009 - Jan. 10, 2011)

#### Operations

My partner and I started and built a non-profit lunch caterer with the mission to employ residents of Faith Mission Homeless Shelter. You name it, we did it. We developed training programs and partnerships in order to provide our employees with the skills and connections needed to start a successful career upon graduating our program.

### OHIO STATE UNIV. MEDICAL CENTER | (August 5, 2010 - July 1, 2011)

#### Director of Finance - Dept. of Anesthesiology Research

Oversight of the accounting and budgeting of all projects and trials, as well as management of student employees. Created an extensive Excel workbook to organize and manage all projects and teams, allowing for real-time tracking of progress.

### MERRILL LYNCH | (April 14, 2008 - October 3, 2008)

#### Intern

Internship working with a financial advisor team – corporate equity award services, research & financial analysis, portfolio management, asset allocation, and client prospecting
